

ELITE **PORTABLES**

CAPABILITY STATEMENT

WHO ARE WE?

We are a Toowoomba-based portable building design and construction company with over 50 years of industry experience, serving projects across Australia and beyond.

As the driving force behind efficient modular offices, modern apartment structures, affordable portable accommodation, and versatile education facilities, our track record speaks of superior craftsmanship and tailored solutions. Our company stands as a cornerstone of quality, progress, and innovation.

Elite Portables is a leading provider of premium, customizable, and innovative portable buildings designed to cater to diverse requirements across commercial, industrial & residential sectors.

WHY CHOOSE ELITE PORTABLES

Clients First

Customer satisfaction matters. We work closely with our clients throughout their projects, providing exceptional support and guidance.

Quality Assurance

We prioritise quality materials and construction techniques to ensure durable and long-lasting buildings that withstand the test of time and weather.

Timely Delivery

We understand the importance of time-sensitive projects, and our streamlined processes ensure on-time delivery without compromising quality.

Expertise

With over 30 years of experience, our team consists of skilled architects, engineers, and builders who deliver professional services and expertise to bring your project to life.

Safety Focus

Our dedication to safety ensures that each portable building we create is not only innovative and top-quality but also built with the utmost care and consideration for the health and safety of all involved.

Affordability

Our commitment to competitive pricing makes Elite Portables the ideal choice for cost-effective solutions without compromising on quality or aesthetics.

ELITE PORTABLES OFFERINGS

At Elite Portables, our mission is to excel in crafting portable buildings that transcend boundaries through innovative designs and top-tier materials.

Our commitment to excellence and customer satisfaction drives us to provide innovative solutions tailored to meet the diverse needs of our clients.

These include:

- **Temporary & Permanent Accommodation**
- **Modular Education Facilities & Classrooms**
- **Healthcare Facilities**
- **Specialist Disability Accommodation**
- **Modular Office Spaces**
- **Construction Site Offices**
- **Ablution Blocks & Amenities**
- **Custom Modular / Demountable Buildings**

OUR FACILITIES

Our 30 Acre Construction & Testing Facilities serve as the bedrock of our dedication to **delivering top-quality portable buildings, while also empowering us to streamline the execution of large-scale projects.** Equipped with 2 large commercial sheds and 4 large outdoor undercover workshops, these cutting-edge facilities provide an ideal environment for the design, development, construction, and meticulous testing of our structures.

TAILORED TO YOUR NEEDS

Commercial :

We cater to the growing needs of businesses by providing modern, modular office spaces, lunchrooms, temporary facilities, and custom commercial buildings. Our solutions are designed to promote productivity and efficiency in any workspace.

Industrial :

Addressing the demands of industrial operations, we offer rugged and durable portable buildings ideal for construction site offices, storage units, ablution blocks, and temporary accommodation. Our structures are built to withstand Australia's most challenging environments.

Education :

Elite Portables is your trusted partner in creating inspiring learning environments. We offer portable classrooms, modular educational facilities, and administration offices that ensure a conducive learning atmosphere.

Custom:

Tailoring solutions to your exact requirements is our expertise. We offer fully customizable portable buildings, giving you the freedom to choose dimensions, layouts, finishes, and additional features.

RESPONSIBILITIES & INSURANCES

Empowering Safety & Sustainability

We take immense pride in our impeccable safety record, which is a reflection of our unwavering dedication to the well-being of our team and clients over the years. Throughout the last seven years of trading, we have implemented rigorous training procedures and high safety standards upheld by every member of our team.

Just as we are dedicated to safety, we are equally passionate about the environment. Elite Portables understands the importance of enhancing the spaces we operate within. In line with this commitment, we diligently seek out suppliers who share our dedication to conducting business in ways that align with our eco-friendly values. Sustainability is not merely a goal; it's a guiding principle that influences every decision we make.

Our insurances include:

Public Liability

20M

Product Liability

20M

Workers Compensation

Our Commitment

As an influential player in the Australian portable building landscape, Elite Portables embraces its responsibility for social and environmental well-being. The cornerstone of our operations lies in maintaining the highest standards of integrity. We firmly believe that fostering responsible practices throughout our supply chain is not only a sound business imperative but a profound ethical obligation.

EXPERIENCE

Our accomplished team of designers, engineers, architects, and tradesmen boasts a rich history of successful collaborations with a diverse range of clientele.
